

Addendum 1

Response of queries raised by Bidders in GUVNL's RfS No. GUVNL / 100 MW / Solar (Phase X) dated 15.07.2020 for 100 MW Solar Project to be developed in 700 MW Raghanesda Solar Park

Date - 10.08.2020

1 – M/s AMP Energy

SN	Reference	Existing Clause	Proposed Modification	Rationale	GUVNL / GPCL's response
1	Clause 1.2.3 of RFSThe maximum tariff payable to selected bidder and that a bidder can quote at any stage during the bidding process in this tender shall be Rs. 2.75 per unit.....	To be deleted	Please remove Tariff Ceiling	Existing provisions of the bid document to be retained.
2	Clause 3.18 A of RFS	Documents to be Submitted Offline (in Original)	to be modified: Request to please allow bidders to submit soft copies of documents due to current pandemic situation.	EMD can be submitted in scan copy and further letter from bank can be shared for EMD issuance as done in NTPC 1200 MW solar bid. Please do the needful.	If Bidder submits scanned copy of EMD and SFMS Confirmation of issuance of BG from Bank to GUVNL prior to bid deadline and submits the physical copy of EMD within a reasonable period of 5 days after bid deadline, the same shall be allowed.
3	Article 6.5 of PPA	...All the cost incurred by GUVNL for opening, maintenance and other cost related to establishment of Letter of Credit shall be borne by the Power Producer....	...All the cost incurred by GUVNL for opening, maintenance and other cost related to establishment of Letter of Credit shall be borne by the GUVNL....	LC is payment security issued by GUVNL. Hence GUVNL shall bear all expenses related to LC. Please modify the clause accordingly.	GUVNL has been making payment of energy invoices on timely basis and there would be no requirement of LC. However, if the project developer still insists on LC, the cost thereof shall be borne by the project developer.

2 – Torrent Power Ltd

SN	Ref	Bidder's query	GUVNL/ GPCL's response
1	RFS	At present, the project schedule allows a time of 16 months for execution from LOA (30 days for PPA +15 months for commissioning). Considering the difficulties of the site, Developers are bound to face technical and exceptional challenges during project implementation. Hence, we request you to increase the time period from LOA to PPA to 90 days instead of 30 days.	GUVNL's reply – Considering special site conditions of Raghnesda Solar Park and in line with tender for Dholera Solar Park, the time period for signing of PPA after issuance of LOA shall be increased from 30 days at present to 90 days. Necessary amendments have been issued in Addendum – 2.
2	Clause 3 (i) & 8.8 of ISA	We request to clarify that cost of metering system and its associated equipment (CT & PT) are covered for both end at 220KV side of 220KV/400 KV (khimanawas) and 33KV side of 33KV /220KV (Raghnesda) shall be covered in UDC.	GPCL's Reply – The initial capital cost of metering system at 33 kV level of 33KV /220KV S/s (Raghnesda) and 220 kV level of 220KV/400KV S/s (Khimanawas) shall be borne by GPCL / GETCO. However, SPD shall have to bear separate annual charges, as applicable as per relevant regulation to concern authority towards metering system.
3	Clause 3 (i) & 8.8 of ISA	We understand that initial capital cost of metering and its associated equipment are covered UDC. Hence, SPD shall not require to pay separate charges for the metering and connected equipment at both incoming feeder at 33 /220 kV and 400/220 kV. Please confirm.	
4	Schedule c of ISA	The clause provides that "This BANK GUARANTEE shall be interpreted in accordance with the laws of India and the courts at the capital city of Andhra Pradesh shall have exclusive jurisdiction." We request you clarify whether it is Andhra Pradesh or Gujarat.	GPCL's reply - The clause shall be modified as under. "This BANK GUARANTEE shall be interpreted in accordance with the laws of India and the courts at Gujarat shall have exclusive jurisdiction" Necessary amendments have been issued in Addendum – 2.
5	Annexure F of RFS	The information provided at Sr. No. 1 is as under 700 MW Raghnesda Ultra Mega Solar Park (200 MW capacity to be allocated under this tender) Tender is for 100 MW. We request you to clarify	GUVNL's reply - Tender is for 100 MW capacity. 200 MW has been mentioned inadvertently in the Annexure F.

3 – Tata Power Company Ltd

SN	Ref	Bidder's query	GPCL's response
1	RFS	Confirmation regarding physical possession of 100 % unencumbered, encroachment free land to developer for setting up of 100 MW solar capacity	GPCL's Reply - GPCL shall give encumbrance free possession of land.
